EC2.5¹ EC2.5 Electronic Controls are being replaced by EC4.0 Controls. EC4.0 offers same functionality as EC2.5 plus system diagnostics.

EC3.0² EC3.0 Electronic Controls have been replaced by EC4.0 Controls. EC4.0 offers the combined functionality of EC2.5 and EC3.0 electronics.

* New Feature Codes to be assigned

** Not available with Colorado Construction, Type 2 - 4 Destination Signs or Bulkhead Compartments. Requires Left Side Rear Hanging Evaporator.

*** Flush front evaporator is not available with Colorado Construction, Center Mounted Defog Blower, Type 2 - 4 Destination Signs or Bulkhead Compartments.
